As only one of a few venues that will host 18th & 21st birthday parties in Derby, our professional approach, affordable prices, years of experience and personalised service will ensure a smooth and trouble free event.

Our service to you will include a staff liaison on the night who will be carrying out identification checks and hand stamping of all guests 18-25 years old to provide a quicker service system at the bar with the bar staff. The Duty Manager will also be liaising with the event organiser on any issues they may have during the event.

We have discussed with the local licensing officer the best practise and the safest way to host 18th / 21st birthday parties, and these are stated in our terms and conditions.
