Unlike many hotels, should you decide that you wish to simply hire the York Suite for your wedding reception and provide the catering yourself then this option is available to you at The Aston Court Hotel. For an agreed hire charge, we will provide the York Suite with its own separate entrance, air conditioning foyer and toilet facilities. We will also provide full bar facilities at times agreed with you.

The York Suite will be set up with tables and chairs and white or black linen cloths. If required a buffet table will also be provided. You then organise your own catering arrangements, including cutlery and crockery or choose from the selected catering menus we have to offer. The room will be available from 9am on the day if you wish to come and dress the tables or provide any of your own decorations & balloons etc. We can hire a DJ/Disco for you or alternatively you can provide your own. Please note that if you provide your own DJ/Disco there is an additional charge applied of £25.00 to cover the PRS license.

Hire charges are as follows: -

We can also provide catering, please see our attached menus for buffet prices. We do not provide a sit-down catering option; our self-service buffet options can be discussed though.
